PRIMARY THREE - ENGLISH HOMEWORK
2019-2020 ACADEMIC YEAR

Date: Tuesday, 5th May 2020

Part A: Read the passage carefully.

Mother's Day

Mother's day is the 2nd Sunday in May. It is a day to celebrate Mother's Day and all that they do for us. It is a day to show your mother that you love her very much but you should love your mother every day not just on that day.

Being a mother is hard work! She has to cook. She has to clean. She has to wash clothes. She has to help you go to school. She has to help you with your homework. She is a tireless worker.

On Mother's Day, many people give their mothers a gift. Some people give jewellery. Some people prepare a special breakfast. Some people give flowers. Many families go out to eat a special dinner and they have fun together.

On Mother's Day, be sure to tell your mother that you love her very much. Do nice things for her. Don't fight with your brothers and sisters if you have them. Thank her for all she does for you and don't forget to say **"Happy Mother's Day"** to her.

Part B: Write short answers.

1. When is Mother's Day?

_____.

2. What is Mother's Day for?

_____.

3. What do some people give their mothers?

_____.
