ALICE

Hello, I'm Alice and I'm nine years old. I have got long, curly brown hair and big blue eyes. I am tall and thin. My favourite colour is purple and I love animals. I live with my family in London. I have got a big brother called Jack and a little sister called Jane. My brother Jack is thirteen years old and he has got short, straight black hair and brown eyes. My little sister is four years old and she has got short, curly light brown hair and black eyes. We get along very well. We live in a very big house. My bedroom is big. The walls are purple and my curtains are cream. There are lots of things in my bedroom. I have got a bed, a cupboard, a lamp, a bookcase, a carpet and a table and chair. I haven't got a television. There are lots of colourful teddy bears on my bed. My brother Jack and my little sister Jane have got small bedrooms. My brother Jack has got 79 books. He loves reading. My little sister Jane has got lots of toys in her bedroom. She loves playing with her toys. I love my family very much.

Read the passage and answer the questions using short answers.
