Reading Passage

Brushing My Teeth Is Fun

Hello. My name is Tom and my surname is Brown. I am 8 years old. I live in England and I go to Parklane School. I brush my teeth every morning before I go to school and every night before I go to bed. I brush my teeth with toothpaste and my toothbrush. My toothbrush is blue because blue is my favourite colour. I brush my teeth for two minutes. I brush my teeth in the front, and I brush my teeth in the back. Then I brush my teeth on the top and on the bottom. Brushing my teeth is fun.
